Dear Mr. Youngblood:

In regard to our April 11, 1983 response to Generic Letter 83-10c, the CPSES RCP trip justification response will not be available on February 29, 1984 due to a delay in the Westinghouse Owners Group (WOG) generic Manual RCP Trip Justification study. The WOG intends to submit the study by April 1984. A review to determine the applicability of the study results to CPSES will then be conducted by Texas Utilities.

Sincerely,

H. C. Schmidt for
