STN 50-455

Dear Administrative Judges:

The Atomic Safety and Licensing Appeal Board Memorandums and Orders dated January 31, 1984 and February 8, 1984 sent to the League of Women Voters of Rockford were not received by me.

As present Chairman of the Byron Intervention Committee for the League of Women Voters of Rockford, IL, a post which I have continuously served since 1979, I am on all Service lists and should be receiving these communications.

Therefore, on behalf of the League of Women Voters of Rockford, IL I request that this omission be corrected, and that all future Memorandums and Orders from the Atomic Safety and Licensing Appeal Board in the above listed docket on the Byron Nuclear Power Station be sent to me at the above address.

Sincerely,

Betty Johnson
