Gentlemen:

NORTH ANNA POWER STATION UNIT NOS. 1 AND 2
INSERVICE TESTING PROGRAM FOR PUMPS AND VALVES

In our letter dated September 7, 1983 (Serial No. 487), Vepco stated that an updated Inservice Testing Program for pumps and valves would be submitted by September 30, 1983. It has come to our attention that an extension is needed until October 7, 1983 to fully complete our review and approval of the proposed program.

Very truly yours,
