Dear Ms. Adensam:

In the Matter of
Tennessee Valley Authority

) Docket Nos. 50-327
) 50-328

By my July 21, 1983 letter to you (TVA-SQN-TS-46), a change was requested in the technical specifications for the operational limits associated with the pressurizer spray nozzle (Enclosure 4 - Change No. 4). Enclosed are changes to the BASES to support the requested changes that were inadvertently omitted by my July 21, 1983 letter. These changes do not affect the previous amendment request because the BASES, in accordance with 10 CFR 50.36, are not part of the technical specifications.

If you have any questions concerning this matter, please get in touch with Jerry Wills at FTS 858-2683.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
