Docket 50-400 OL

ASLBP No. 82-468-01
OLWithdrawal of Motion to Require
Service of Report on DS-416 Circuit Breakers

Based on a conversation I had 2-16 with Applicants' counsel O'Neill, I hereby withdraw the motion filed previously ⁽¹⁻³⁰⁻⁸⁴⁾ to require Applicants to serve their response to NRC Staff re DS-416 circuit breakers on me. O'Neill informs me that Applicants will serve this document on me anyway. It is certainly true that I could have cleared this up by talking with Applicants before I filed the motion (as could they if they'd talked to me before filing the response), but I don't want to continue to waste paper and the Board's time, so I respectfully request leave to withdraw the above-referenced motion. This will confirm the message I left Judge Kelley by telephone 2-16 after I spoke with O'Neill.
