Docket No. 50-267

Dear Sir:

Enclosed please find revisions to our Monthly Operations Reports for the months of October, November and December of 1983 and January of 1984. The corrections concern the calculation of the "Unit Forced Outage Rate" (line 23). The figures previously submitted reflected total generator downtime and not forced downtime.

Very truly yours,

*Don W. Warembourg*

Don W. Warembourg  
Manager, Nuclear Production
