MOTION FOR ENLARGMENT OF TIME WITHIN WHICH  
TO FILE PROPOSED FINDINGS

By Order dated September 15, 1983 the Board affirmed its prior oral ruling directing intervenors to file proposed findings by October 27, 1983 on the contentions heard during the August 1983 hearing.

The State of New Hampshire has prepared proposed findings on Contention NH-20. (See accompanying pleading, entitled "State of New Hampshire's Proposed Findings of Fact and Conclusions of Law.") New Hampshire was unable to serve these proposed findings before the filing deadline, however, due to an unexpected delay in the State's review of its draft proposed findings.
