Docket No. 50-387

Dear Mr. Martin:

This letter provides PP&L's response to your letter of August 15, 1983, which forwarded NRC Region I Inspection Report No. 50-387/83-16 and "Appendix A, Notice of Violation."

Your Notice advised that PP&L was to submit a written reply within thirty (30) days of the date of the letter. As discussed with Mr. E. C. McCabe of NRC Region I on September 13, 1983, PP&L has been authorized to delay its response until September 23, 1983. We trust that the Commission will find the attached response acceptable.

Pursuant to 10CFR2.790(d), the attachment should be withheld from public inspection.

Very truly yours,

B. D. Kenyon
Vice President-Nuclear Operations
