Re: McGuire Nuclear Station
Docket Nos. 50-369, 50-370
McGuire Security Plan, Revision 17

Dear Mr. O'Reilly:

Pursuant to 10 CFR 50.54(p), please find attached five (5) copies of Revision 17 to the McGuire Nuclear Station Security Plan. Revision 17 was developed to include an exception to VA patrols, to change lock and key control policies, and to indicate the redesign of the picture identified badge. Revision 17 does not decrease the effectiveness of the McGuire Nuclear Security Plan.

This material is applicable to security provisions at McGuire Nuclear Station; therefore, it is requested that this information be withheld from public disclosure pursuant to 10 CFR 73.21.

Very truly yours,

Hal B. Tucker
