Subj: Interim 10CFR50.55(e) Report - Vulkene Supreme
Cable Terminations

Dear Mr. Gagliardo:

This letter provides an interim report on the subject potential 10CFR50.55(e) which was initially reported by Kansas Gas and Electric Company (KG&E) on June 20, 1983. Additional information was subsequently provided in References 1 and 2.

After reviewing the available information, KG&E has concluded that the identified concern is reportable pursuant to 10CFR50.55(e) and is in the process of developing corrective actions to resolve this matter. A final report (or interim report if necessary) will be submitted to you on or before January 28, 1984. In the interim, please direct any questions concerning this subject to me or Mr. Otto Maynard of my staff.

Very truly yours,

GLK:cks
