EDWIN I. HATCH NUCLEAR PLANT UNIT 1
MODIFICATION OF SUPPLEMENT TO UNIT 1
PLANT UNIQUE ANALYSIS REPORT

Gentlemen:

Our letter dated February 28, 1983, transmitted the "Supplement to the Edwin I. Hatch Nuclear Plant - Unit 1 and Unit 2 - Plant Unique Analysis Reports (PUAR)" pursuant to your "Order for Modification and Grant of Extension" dated January 19, 1982. It was noted in the Unit 1 report that ten valves were under evaluation at the time of submittal of that supplement. Those evaluations have been completed, and the attached revised pages reflect the satisfactory results of that evaluation. Please insert this attachment into the Unit 1 PUAR as revised by the February 28, 1983, and September 16, 1983, supplements.

Yours very truly,

L. T. Gucwa
