Re: Limerick Generating Station, Units 1 & 2  
Docket Nos. 50-352 & 50-353

Dear Ms. Bush:

This is in response to your letter of November 22, 1983 which requested that I provide you with any correspondence or documents among the Applicant, NRC Staff, the Commonwealth of Pennsylvania and other responsible governmental agencies relating to emergency planning or whether to do such for the Schuylkill River, Delaware River and/or the City and County of Philadelphia. In accordance with the Licensing Board's Order of June 1, 1982 and Mr. Conner's letter to Ms. Dorsey dated September 13, 1982, we have regularly provided copies of all correspondence and documents among the Applicant, NRC Staff, the Commonwealth of Pennsylvania and other responsible governmental agencies relating to emergency planning to Limerick Ecology Action, where they are available to all interested parties. Any documents or correspondence relating to the specific areas in which you have indicated an interest would be included in the documents and correspondence provided to Limerick Ecology Action.

Very truly yours,

  
Eugene J. Bradley
