CHANGE: CESG'S EXTREME WEATHER WITNESS

CESG will not offer Donald Steila as a witness on the extreme weather contention.

John Purvis, state climatologist for South Carolina, will appear for CESG. Due to the short notice CESG is not able to provide a vita. Mr. Purvis prior to his present position was director of the U.S. Weather Bureau's inversion data department in Columbia, South Carolina.

The prefiled testimony submitted at this time, also due to this change, will be subject to correction and amendment.

Respectfully submitted,

Jesse L. Riley for CESG
