OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

Dear Mr. Cormier,

In your November 30 letter you indicated that the documents we had previously requested would be provided at yesterday's document production session.

In fact, however, we have still not received the clear glossy prints we requested of the photocopied micrographs attached to your proposed Rebuttal on Fission Product Release, which are not legible.

Our ability to respond on schedule to your material is obviously dependent on its prompt and complete submission. Please let us know as soon as possible when we may pick up the micrographs.

Sincerely,

Steven Aftergood
