SYSTEMATIC ASSESSMENT OF LICENSEE PERFORMANCE
HOPE CREEK GENERATING STATION

In reply to your request of September 6, 1983, we have received and reviewed the report of the NRC Region I SALP Board for the period August 1, 1982 - July 31, 1983.

We appreciate the time taken by your staff to review and discuss the assessment with us on September 9, 1983. Beyond the two minor corrections agreed to at this meeting, we have no additional comments on this report.

The meeting appeared to be mutually beneficial and will assist us in our efforts to meet all NRC requirements for Hope Creek.

Very truly yours,

cc: NRC Resident Inspector - Hope Creek
