Washington, D.C. 20555

Re: Peach Bottom Atomic Power Station, Units 2 & 3
Docket Nos. 50-277 & 50-278

Dear Mr. Denton:

Enclosed for filing with the Commission are three originals and nineteen copies of an Amendment to Philadelphia Electric Company's Application for Amendment of Facility Operating Licenses DPR-44 and DPR-56 which was originally filed with the Commission on March 24, 1981. This Amendment further revises the Company's application requesting changes to the Peach Bottom Units 2 & 3 Technical Specifications relating to shock suppressors.

Very truly yours,

Eugene J. Bradley
