Post Accident Sampling

Dear Mr. Youngblood:

In your letter dated November 8, 1983, regarding the acceptability of the Perry Post Accident Sampling System Design, you requested that the Cleveland Electric Illuminating Company (CEI) confirm in writing, that the post accident sampling system design proposed, and found acceptable by the staff, will be installed and qualified to be operational before fuel load of Unit 1. Our confirmation is as follows:

The Perry Nuclear Power Plant's Post Accident Sampling System will be installed and qualified to be operational before fuel load of Unit 1.

If you have any additional questions, please call.

Very truly yours,

Murray R. Edelman
