Docket 50-400
USMRC
Washington
DC 20555

Dear Judge Kelley, 12-22-83
Pursuant to your oral order of this
morning, have are references on
pain & suffering in Eddleman 37.
Reconsideration requested, item (4) pp 6-7 of
my 10-15-82 objections to 9-22-82 Order.
Please note, I've abandoned entirely the
statements the Board found contemptuous
therein; see also pp 11-12 of I-11-83
Order on Reconsideration by the Board.
Since the DES does not address pain & suffering,
I think the contention is OK. I checked the 2-24
transcript at end + my mention of 37 B pain/suffering
+ Board's denial isn't there. It may have happened
after the court reporter asked the record. Will Eddleman
