Re: Public Service Company of Indiana, Inc., Wabash Valley  
Power Association, Inc. (Marble Hill Nuclear Generating  
Station, Units 1 and 2) Docket Nos. 50-546 and 50-547

Dear Sirs:

As widely reported in the media this morning, a special task force appointed by the Governor of Indiana has recommended that the construction of Marble Hill Units 1 and 2 be cancelled. Public Service Company of Indiana, Inc. and Wabash Valley Power Association, Inc. ("Applicants") have made no decision concerning that recommendation. Applicants will require some time to consider and determine their response. Pending such a decision, we suggest that the Atomic Safety and Licensing Board defer any further action in this proceeding.

Sincerely,

*Harry H. Voigt*
