Dear Mr. Grimsley:

On March 12-15, 1991, a team of NRC senior managers, led by the Deputy Director, Office of Nuclear Reactor Regulation, performed an assessment of Region IV activities. The assessment team was composed of management representatives from the Office of Nuclear Reactor Regulation, Region II and Region IV. Assessment team members visited the Arkansas Nuclear One and South Texas Project facilities and interviewed Region IV staff. The assessment concluded with an exit meeting on March 15, 1991.

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552 and NRC's regulations, please make available reports, summaries, etc. documenting that assessment.

I would appreciate your prompt response within ten working days of the receipt of this letter, as provided by the Code. If you have any questions regarding this request, please contact me at 301/ 249 9672.

Thank you.

Sincerely,

Opheila G. Williams
