SHEARON HARRIS NUCLEAR POWER PLANT  
UNIT NOS. 1 AND 2  
DOCKET NOS. 50-400 AND 50-401

Dear Mr. Denton:

The Board of Directors of Carolina Power & Light Company approved today the cancellation of Unit 2 of the Shearon Harris Nuclear Power Plant. In our opinion, the cancellation will not significantly change safety or environmental analyses although certain structural modifications of the sort required as a result of cancellation of Units 3 and 4 will be necessary. We are prepared to discuss this matter with your staff at their convenience.

Yours very truly,

  
E. E. Utley
