Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Emergency Planning
Shoreham Nuclear Power Station - Unit 1
Docket No. 50-322

Dear Mr. Denton:

Please find enclosed ten (10) controlled copies of Revision 1 to Shoreham's "Emergency Preparedness Implementing Procedures (EPIPs); ten (10) "Emergency Preparedness Implementing Procedures, Volume II" binders and ten (10) sets of required tabs. Additionally, ten (10) copies of the Shoreham "Emergency Preparedness Plan" are enclosed. These documents have been revised to incorporate changes resulting from administrative and technical reviews. EPIP 1-7 "Personnel Accountability" is the only Revision 0 EPIP to be retained with the Revision 1 versions, attached.

Each procedure is separated by an orange sheet and should be inserted behind its corresponding tab. Tabs 4-6 and 4-7 are to be inserted in front of their respective procedures. EPIPs 2-1 through 2-25 and EPIPs 4-1 through 4-7 should be inserted into the "Volume II" binders to facilitate handling of the procedures.

Three (3) additional controlled copies of the aforementioned emergency planning information have been forwarded to Region I, Inspection and Enforcement.

Should you have any questions regarding this information, please feel free to contact this office.

Very truly yours,

J. L. Smith
Manager, Special Projects
Shoreham Nuclear Power Station
