Where Finding Report number(s) does not apply, provide proper one.

- (1) Also: Where are radiographs involved and submit same.
- (2) Are all of these welds safety related welds?
- (3) How many welds did each audit represent? That is, give the number of safety related welds covered by each Audit, also giving the welding activity time, in months, the audit represents.
- (4) From 1976 to 1983, give yearly total number of safety related welds performed by Bechtel and subcontractors.
- (5) Were all of the above radiographed?
- (6) For same years (as in #4) provide records showing total number of radiographs P.E. (Corcoran) took to audit.
- (7) Provide name of consultant used by P.E.'s Corcoran, together with address of organization. (MPR)
- (8) Has anyone employed in "MPR" ever worked for Bechtel Corp.?
- (9) Has "MPR" or any of its employees worked for Bechtel at another reactor.
- (10) Is there an NRC, or P.E., or Bechtel rule that specified the number of safety related welds that must be radiographed?
- (11) Re 10 above is there a rule as to % of radiographs that must be audited?

Respectfully submitted
