In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352 and 50-353

Dear Mr. Romano:

Enclosed are the Applicant's responses to "AWPP's (Romano) 4th Request re Interrogatories Concerning Contention VI-1" and "AWPP's Fifth Request for Information re Contention VI-1." These requests have been designated "Discovery 18" and "Discovery 19," respectively.

In accordance with past practice, the documentary material responsive to your request will be made available for your inspection during normal business days from 9:00 a.m. to 4:30 p.m. at a room near Philadelphia Electric Company's headquarters. Please call Edward Cullen, Esq. at 215/841-4273 to make specific arrangements at least one day in advance in order to gain access to the documents. Any copies that you wish made of this material as the result of your review should be marked and copies will be made at the commercial rate of approximately 7¢ per page.

I am hopeful that the meeting on Tuesday, December 27, 1983, between you and your representatives and Philadelphia Electric Company assisted you in achieving an understanding of the manner in which quality assurance records are kept and you obtained satisfactory responses to the other questions that you had.
