Dear Sir:

Three Mile Island Nuclear Station, Unit 1 (TMI-1)

Fire Protection Program Plan

The attached revised TMI-1 Fire Protection Program Plan incorporates the administrative, training and organizational changes made since July 11, 1980 when our existing Fire Protection Program Plan was submitted (Letter TLL-322).

The new plan reflects the changes made as a result of recent inspection findings (IR 83-18) and internal reviews of the fire protection program at TMI-1. The administrative and emergency procedures are being revised to implement these changes and summaries of these changes and their safety evaluations will be provided with the annual 10 CFR 50.59 report for TMI-1.

Sincerely,

  
H. D. Hukill  
Director, TMI-1
