DOCKET NO.: 50-267

SUBJECT: Response to IE Bulletin 83-07

Dear Mr. Collins:

Our initial reply to the subject bulletin on P-83409 dated December 21, 1983 did not satisfy the requirement for oath or affirmation. This letter corrects that provision.

In response to IE Bulletin 83-07 dated July 22, 1983, Public Service Company of Colorado (PSC) has performed a thorough search of our records and has determined that even though we have purchased numerous items from many of the vendors shown, none of the materials designated for use at Fort St. Vrain came directly from or through Ray Miller, Inc. This search covered materials for use in safety related and non-safety related applications in addition to materials in stock at Fort St. Vrain Nuclear Generating Station.

Very truly yours,

O. R. Lee, Vice President
