Standardization and Special Projects  
Division of Licensing  
United State Nuclear Regulatory Commission  
Washington, D. C. 20555

Re: Docket No. 50-297, Facility License R-120

Sir:

Pursuant to Section 6.1 of the PULSTAR Technical Specifications, this is to advise that Mr. Thomas L. Brackin has been appointed Reactor Health Physicist on an acting basis for the PULSTAR Facility. Mr. Brackin previously held the position of Reactor Safety Specialist here at NCSU and replaces Mr. Robert D. Cross who retired effective 23 December 1983.

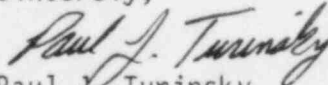

Recruitment efforts are in progress to fill the Reactor Health Physicist position on a permanent basis. Notification to your office shall be made upon completion of recruiting activities.

In addition to the above appointment, this correspondence serves as official notice of the change in mailing address for the PULSTAR Facility. The new address is:

Nuclear Reactor Program  
Department of Nuclear Engineering  
North Carolina State University  
Box 7909  
Raleigh, North Carolina 27695-7909

If there are any questions regarding these matters, please advise.

Sincerely,

Paul J. Turinsky  
Head, Department of Nuclear  
Engineering
