LILCO'S PRELIMINARY RESPONSE TO SUFFOLK
COUNTY REQUEST FOR BOARD RECONSIDERATION
OF EMERGENCY PLANNING SCHEDULE

LILCO has received Suffolk County's December 28, 1983 Request for Board Reconsideration of Emergency Planning Schedule. LILCO is giving prompt consideration to it and will send a preliminary response concerning it to the County later today. LILCO believes that a conference with the Board may turn out to be warranted, and that if one is held it should take place relatively soon. However, it seems to LILCO that the parties should have some opportunity to discuss the matters raised by the County with each other before involving the Board. Accordingly, LILCO recommends that if the Board sees value in scheduling a conference, it set it for Friday afternoon, December 30 or other time convenient for it.

Respectfully submitted,

Donald P. Irwin
