January 22, 1979

Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Docket Nos. 50-317
50-318

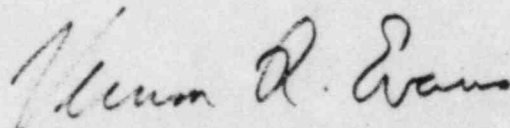

Attention: Mr. Robert W. Reid, Chief
Operating Reactors Branch 4
Division of Operating Reactors

Gentlemen:

This is in response to your letter of January 2, 1979, which refers to your review of Revision 4 to our Modified Amended Security Plan. In that letter, you request additional information regarding this Security Plan. Enclosure (1) to this letter provides such information. We are aware of the process described by Review Guideline #22 and in the areas where our response does not fully satisfy your demands, we are prepared to act accordingly.

Since Enclosure (1) to this letter provides detailed information regarding our Plant security practices, it should be considered as proprietary information and, as such, should be withheld from public disclosure pursuant to 10CFR, Section 2.790.

Very truly yours,

Vice-President
General Services
