COMMONWEALTH EDISON COMPANY BYRON NUCLEAR POWER STATION, UNITS 1 AND 2

Alan S. Rosenthal, Chairman
Atomic Safety and Licensing Appeal Board
Nuclear Regulatory Commission
Washington, D.C.

Dear Chairman Rosenthal,

The DeKalb Area Alliance for Responsible Energy (DAARE) received notice that the oral argument on the applicant's appeal from the Licensing Board's January 13, 1984 denial of an OL will be heard in Bethesda, Maryland on April 19, 1984.

As intervenors deeply concerned with the outcome of this meeting we request the meeting place be moved to Rockford, Illinois or, at the very least, Chicago, Illinois. Our members are ordinary citizens who cannot afford the cost or the time required to attend the meeting in Bethesda.

Sincerely,

B. W. von Zellen
(for DAARE)
