Dear Sir:

Following a conversation with your staff concerning the Florida Power Corporation (FPC) response to I.E. Bulletin Number 83-08 (dated March 16, 1984) not being submitted under oath or affirmation under provisions of Section 182a, Atomic Energy Act of 1954, as amended, a review of FPC responses to bulletins issued during 1983 was conducted. Two additional responses (November 25, 1982, Bulletin Number 83-04; May 31, 1983, Bulletin Number 83-03) were also found to have been submitted without an oath or affirmation.

The attached oath or affirmation forms are supplements to the response of the subject bulletins. Please contact this office if there are any questions concerning this information.

Sincerely,

G. R. Westafer
