Docket No. 50-322-OL-4
(Low Power)

JOINT REQUEST OF SUFFOLK COUNTY AND NEW YORK STATE FOR
COMMISSION TO DIRECT CERTIFICATION OF MATTERS ADDRESSED IN
THE "JOINT OBJECTIONS OF SUFFOLK COUNTY AND THE STATE OF
NEW YORK TO MEMORANDUM AND ORDER SCHEDULING HEARING ON
LILCO'S SUPPLEMENTAL MOTION FOR LOW POWER OPERATING
LICENSE," IF LICENSING BOARD FAILS TO VACATE SUCH
MEMORANDUM AND ORDER PROMPTLY

Attached herewith are copies of the "Joint Objections
of Suffolk County and the State of New York to Memorandum and
Order Scheduling Hearing on LILCO's Supplemental Motion for
Low Power Operating License." The Licensing Board's Order
was issued on April 6, 1984, and the Joint Objections are
being filed with the Board today.

The County and the State hereby jointly request that if
the Licensing Board does not forthwith vacate its Order, as
they have requested, the Commission should immediately direct
certification of the matter and render a prompt decision in
accordance with the County's and State's objections. See
Part IV of the Joint Objections. We emphasize that time is
of the essence. Under the arbitrary and prejudicial schedule

set by the Licensing Board, the hearing on LILCO's unprecedented low power proposal commences on April 24. Commission action as quickly as possible is clearly in the public interest. The Joint Objections demonstrate that the Licensing Board's Order violates NRC regulations and deprives the County and the State of due process of law. These significant issues are appropriate for the Commission's immediate attention.

Finally, the County wishes to emphasize that there is a pending request of the Suffolk County Executive, Peter F. Cohalan, that the present Licensing Board with jurisdiction over LILCO's low power license request be promptly disestablished by the Commission and a further Commission order be issued to assure no further Licensing Board violations of due process of law.

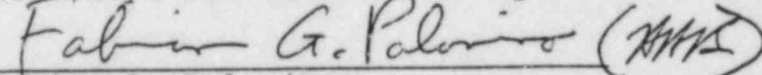

Respectfully submitted,
