Reference: Beaver Valley Power Station, Unit No. 1  
Docket No. 50-334, License No. DRP-66  
Emergency Preparedness Plan Implementing Procedures

This letter is in regard to your February 14, 1984 letter which was a follow-up to Generic Letter No. 81-27. Duquesne Light Company is requesting the deletion of home telephone numbers from the Beaver Valley Power Station Implementing Procedures which are placed in the NRC's Public Document Room and in the Local Public Document Room.

This request would effect the following procedures:

- a) EPP/I-2 Rev. 2  
b) EPP/I-3 Rev. 2  
c) EPP/I-4 Rev. 2  
d) EPP/IP 1.1 Rev. 2      Attach. 2 (3 of 8) Step 8a, b & c  
                                     - Alternate Phone Numbers

Attachment 2 (4 of 8) Step 12  
- All Alternate Phone Numbers

Attachment 2 (5 of 8)s Step 20a & b  
- Alternate Numbers

Please review the above request and forward any questions to the Emergency Planning Supervisor - Donna Miller at (412)-393-5767.

Very truly yours,

J. D. Sieber, Manager  
Safety and Licensing
