Re: Long Island Lighting Company;  
Shoreham Nuclear Power Station,  
Unit 1; Docket No. 50-322-OL

Dear Mr. Clements:

This is in response to your letter of April 13, 1984, addressed to Herbert H. Brown. I regret that inadvertently you only received for docketing one copy of the "Joint Objections of Suffolk County and the State of New York to Board's Oral Order of February 22, 1984, and Request for Revision Thereof," dated April 10, 1984. We are filing herewith the original and another conformed copy of this document in order to conform to the requirements of 10 C.F.R. § 2.708(d).

Also enclosed for filing are the originals of the "Joint Request of Suffolk County and New York State for Commission to Direct Certification of Matters Addressed in the "Joint Objections of Suffolk County and the State of New York to Memorandum and Order Scheduling Hearing on LILCO's Supplemental Motion for Low Power Operating License," If Licensing Board Fails to Vacate Such Memorandum and Order Promptly," and the "Joint Objections of Suffolk County and the State of New York to Memorandum and Order Scheduling Hearing on LILCO's Supplemental Motion for Low Power Operating License," both dated April 16, 1984. Two conformed

Copies of these documents were sent to the Docketing and Service  
Office yesterday, and the enclosed originals were inadvertently  
left out.

Very truly yours,

Alan Roy Danner
