SUBJECT: Waterford Unit 3 Allegations

REFERENCE: Letter Darrell G. Eisenhut to J. M. Cain, April 2, 1984  
Subject: Waterford Unit 3 Allegations

The referenced letter forwarded a list of 39 allegations of improper practices during the construction of Waterford 3 SES and requested a response by April 18, 1984. We are currently in the process of preparing answers to those issues and it appears that we will not be able to respond by the April 18 date. Our answers, however, will be provided as soon as possible but not later than April 27, 1984.
