LICENSEES' MOTION FOR EXPEDITED ORDER
COMPELLING PRODUCTION OF DOCUMENTS

Consolidated Edison Company of New York, Inc. and the Power Authority of the State of New York, licensees of Indian Point Units 2 and 3, respectively, move the Atomic Safety and Licensing Board (Board) for an order compelling the production of documents relied upon in his testimony by Dr. Charles Perrow, a witness for FOE/Audubon on Commission Question 1.

The ground for this motion, which is more fully set forth in the accompanying memorandum, is that FOE/Audubon's failure to comply with the Board's requirement that witnesses produce all documents relied upon in the preparation

DC03

of their testimony denies the licensees their right to complete preparation of their case, and, therefore, has denied them administrative procedural rights and due process of law.
