Inspection Program

Dear Mr. Denton:

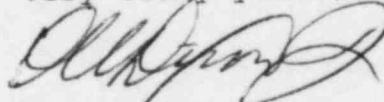

South Carolina Electric and Gas Company, acting for itself and as agent of the South Carolina Public Service Authority, hereby submits ten (10) copies of Revision 4 to GTP-001 entitled "General Procedure for Inservice Testing of Pumps". Also enclosed are revisions to the GTP-001 pump relief requests. The revisions are denoted by vertical lines in the right hand margin.

GTP-001, Revision 3, and the associated GTP-001 pump relief requests should be removed from the Inservice Inspection Program and replaced with the attached GTP-001, Revision 4, and revised GTP-001 pump relief requests.

Unless otherwise informed, these changes as described above will be included in Revision 2 of the First Interval Inservice Inspection Program, which is planned to be submitted by May 1, 1983.
