Re: Freedom of Information Act Request

Dear Mr. Felton:

This is a request under the Freedom of Information Act,
5 U.S.C. § 552, and 10 C.F.R. Part 9.

Region IV of the NRC in May 1982 issued a Systematic
Assessment of Licensee Performance Board Report ("SALP Board
Report") for the South Texas Project, Units 1 and 2, Docket
Nos. 50-498 and 50-499. The report evaluated the "performance"
of the South Texas facility during the period July 1, 1980
to June 30, 1981. A copy of the SALP Board Report and the
NRC's May 11, 1982 transmittal letter to George W. Oprea, Jr.
of Houston Lighting & Power Co. ("HL&P") is attached.

I write to request copies of all records leading up to,
arising out of, or in any way pertaining to the May 1982
SALP Board Report. This request encompasses, but is not
limited to, (1) all records located in Region IV or any
other NRC branch office; (2) all records to and from Region
IV or any other NRC branch office; (3) all internal NRC
memoranda and communications discussing or relating to the
May 1982 SALP Board Report, including any memoranda that
discuss the numerical performance ratings to be assigned

to areas of licensee performance evaluated by the SALP Board;
(4) any records reviewed by the SALP Board to assist in its
preparation of the SALP Board Report; and (5) any notes or
minutes of an October 17, 1981 meeting between HL&P and
NRC personnel, held at HL&P's Houston offices to discuss
the SALP Board's findings.

I hereby agree to pay the prescribed fees for locating
and copying the records sought by this request.

Please call me if you have any questions about the
scope of this request.

Sincerely yours,

Richard A. Samp
