Dear Mr. Pigott:

Subject: In the Matter of
Texas Utilities Electric Company, et al.
(Comanche Peak Steam Electric Station,
Units 1 and 2)
Docket Nos. 50-445-1 and 50-446-1

Cross-Examination Documents
and Other Matters

We are attaching some additional CASE Exhibits on which we will be cross-examining Cygna during the upcoming hearings:

CASE EXHIBIT NO.:

743
771
772
773
774
779
980
981
983
984
985
986
987

We may also have some questions regarding Cygna's 4/10/84 response to Darrell G. Eisenhut, re: Letter of March 22, 1984 from Mr. Eisenhut (forwarded to CASE with your 4/13/84 letter)

We have not had the opportunity to thoroughly review the meeting memoranda forwarded with your April 16 letter; however, a quick scanning of the memoranda indicates that we do not agree with the manner in which it has been couched. We will be addressed this further in writing (probably after the upcoming hearing session, since we will not have time to thoroughly compare the memoranda against our notes prior to that time).

Confirming our telephone conversation today, we anticipate that we will be cross-examining last on the items which we have just received today and whatever additional information we are yet to receive. Of special concern is that you have just indicated in your 4/16/84 letter to Applicants that they should supply CASE with some documents which we had requested in our 3/21/84 letter.
