REFERENCE: Reportable Occurrence report number 50-237/1976-53, dated
August 17, 1976

The event described in the referenced Reportable Occurrence report was pertinent to both Unit-2 and Unit-3, although this was not explicitly stated. Additionally, the corrective action described in the report was implemented on both units.

To avoid ambiguity, future Reportable Occurrence reports which pertain to more than one unit will include, on the covering letter, the docket number of each unit involved.
