Re: Limerick Generating Station, Units 1 and 2

Dear Mr. Elliott:

At our meeting on April 16, 1984, you reviewed various documents relating to the emergency response facilities for Limerick. You indicated that a copy of certain documents would be useful to you in determining whether it was necessary to litigate certain contentions on these facilities. I am enclosing a copy of the documents which you requested.

Very truly yours,

Edward J. Cullen, Jr.
