Dear Mr. Pigott:

Subject: In the Matter of  
Texas Utilities Electric Company, et al.  
(Comanche Peak Steam Electric Station,  
Units 1 and 2)  
Docket Nos. 50-445-1 and 50-446-1(1) CASE's Response to Board's Request  
Regarding Satisfactory/Unsatisfactory  
Check Lists in Cygna Report;  
(2) Copies of Additional Exhibits to  
be used for Cross-Examination of Cygna;  
(3) Listing of CASE Exhibits supplied  
to Cygna

We are attaching copies of the items indicated in the above subject:

- (1) CASE's Response to Board's Request Regarding Satisfactory/Unsatisfactory Check Lists in Cygna Report. As indicated in our Response, the information contained therein covers only those items reviewed by CASE Witness Jack Doyle; we anticipate supplementing our response regarding those items reviewed by CASE Witness Mark Walsh at a later time. Also, we have asked the Licensing Board to advise if they require this to be in affidavit form (it is not, because it was taken by phone from Mr. Doyle, and we wanted to get it to you and the Board and other parties as quickly as possible).
- (2) Copies of additional exhibits to be used for Cross-Examination of Cygna:

- (3) Listing of CASE Exhibits supplied to Cygna. This was done rather hurriedly so that you, the Board and parties could have it as soon as possible. (I've tried to pick up all the items we have sent, but in case I missed any, you should not construe it to mean that we do not plan to cross-examine regarding them.)

We look forward to seeing you at the hearings tomorrow.

Sincerely,

CASE (Citizens Association for Sound Energy)

  
(Mrs.) Juanita Ellis  
President
