Wells Eddleman's Proposed Agenda Items

In addition to the Emergency Plan and scheduling the upcoming environmental hearing and other matters already on the agenda, it might be useful to consider some or all of the following:

1. Eddleman 2.758 Petition re Need for Power and Alternatives
2. The spent fuel transport security plan issue if it has not already been resolved.
3. Outstanding discovery disputes on Eddleman65 and 41.
4. The question of tape recorded depositions.
5. Severing unit 2 from this proceeding, since it has been scrapped.
