WRITER'S DIRECT DIAL NUMBER

Mr. Wells Eddleman
718-A Iredell Street
Durham, North Carolina 27705

In the Matter of
Carolina Power & Light Company and
North Carolina Eastern Municipal Power Agency
(Shearon Harris Nuclear Power Plant, Units 1 and 2)
Docket Nos. 50-400/401 OL

Dear Mr. Eddleman:

Enclosed please find Applicants' response to your interrogatories on Contention 41 served on April 3, 1984, as well as Applicants' response to Interrogatory 41-20(188) of your Eighth Set of Interrogatories.

As discussed by telephone today, Applicants' responses include confidential employee information which you agree is covered by your voluntary protective agreement of January 31, 1984, as required by the Licensing Board on March 8, 1984. Because of the confidential nature of the information, identification of individual welders in the body of Applicants' response is by welder number (as indicated in Exhibit B to Applicants' March 14, 1984 responses). The exhibits to Applicants' responses, which contain additional information on specific welders, are being served only on you and not on the remainder of the Service List.

Sincerely,

*Deborah B. Bauser*Deborah B. Bauser
