APPLICANTS' MOTION FOR ENLARGEMENT OF TIME WITHIN
WHICH APPLICANTS MAY FILE A PROPOSED STANDARD FOR
ADJUDICATING CLAIMS OF HARASSMENT, INTIMIDATION
AND THREATS OF QUALITY CONTROL INSPECTORS

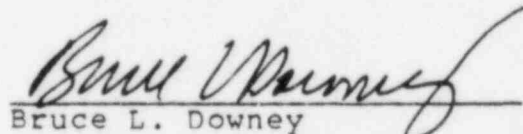

Texas Utilities Generating Co., et al., ("Applicants") hereby request an enlargement of time within which Applicants may file a proposed standard for adjudicating claims of harassment, intimidation, and threats of quality control inspectors. The proposed enlargement would extend Applicants' filing date until May 8, 1984.

The requested enlargement is necessary because counsel for Applicants and Applicants' management were engaged in hearings before this Board during the week of April 23 and will continue to be engaged in such hearings for a substantial portion of the week of April 30. Accordingly, Applicants' counsel and management require additional time to prepare a standard that will assist the Board in adjudicating claims of harassment, intimidation, and threats of quality control inspectors. Applicants also note that the other parties to this proceeding will not be prejudiced by the requested extension because their time for responding to Appli-

cants' proposed standard is tolled while hearings are being conducted by the Board.

For the above-stated reasons, Applicants respectfully request that the Board enter the attached proposed order enlarging until May 8, 1984, the time within which Applicants may file a proposed standard for adjudicating claims of harassment, intimidation and threats of quality control inspectors.

Respectfully submitted,
