IE Bulletin 83-06

Gentlemen:

In our November 15, 1983 response to IE Bulletin 83-06, "Nonconforming Materials Supplied by Tube-Line Corporation", we stated that the review to determine if Westinghouse supplied Tube-Line material to Beaver Valley Unit 1 was still in progress and that you would be informed of the results upon completion of this review. The results of the Westinghouse review indicates that our facility has not received any Tube-Line material from Westinghouse Electric Corporation.

If you have any questions concerning this response, please contact my office.

Very truly yours,

J. J. Carey
Vice President, Nuclear
