REQUEST FOR SUBMITTAL EXTENSION PURSUANT TO GENERIC LETTER 84-11

Gentlemen:

Your Generic Letter 84-11, dated April 19, 1984, was received at our office May 1, 1984. Pursuant to the provisions of that letter, Georgia Power Company hereby requests an extension of time for submittal of the required information to the tentative date of June 15, 1984. Such an extension is justified by the late receipt of Generic Letter 84-11.

We have not had the opportunity to fully determine the effort required to respond to your request since twelve of the fifteen days allowed for such evaluation were lost in the mailing of your letter. The proposed date of June 15, 1984, remains tentative, therefore, until further evaluation has been made. You will be notified at the earliest opportunity if an extension beyond that date is necessary.

Yours very truly,

*L. T. Gucwa*
