Re: Docket No. STN 50-482

Ref: Letter dated January 27, 1984 from BJYoungblood,
NRC, to GLKoester, KG&E

Subj: Station Security

Dear Mr. Denton:

Furnished herewith are six (6) copies of Revision 3 to the Physical Security Plan. Revision 3 includes miscellaneous corrections and/or clarifications, changes requested by the Reference, organizational changes and changes to reflect as-built conditions. A revision to the Safeguards Contingency Plan is presently in progress and will be issued as Revision 4.

The previously transmitted copies of the Wolf Creek Generating Station Physical Security Plan are superseded in their entirety by the attached copies. Please destroy the previous copies as Safeguards Information in accordance with appropriate procedures. Also, please provide a statement acknowledging that the previous copies have been destroyed.

The attached documents contain Safeguards Information in accordance with 10CFR73.21 and therefore should be withheld from public disclosure. This letter, when separated from the attachments, does not contain Safeguards Information and should be handled as decontrolled.

Acknowledgement of receipt of this letter would be appreciated.

Yours very truly,

Bernard Rudzicki
