Dear Mr. Dircks,

Concerning a recent meeting held on
April 27 with Consumers Power Co. of
Michigan: intervenors present - G.A.P.,
Lone Tree Council, Mary Sinclair, implied
they represented the Midland Community.

They do not represent our community.
They are a very small minority of people
obsessed with the idea that nuclear
power is dangerous. The great majority
of Midlanders want this nuclear plant
completed and operating.

Most sincerely,
Susan Biggs
City Councilman
Ward II
