FREEDOM OF INFORMATION ACT REQUEST

FOIA 84-213
Rec'd 3-29-84

Director
Office of Administration
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

To Whom It May Concern:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. §552, et seq., the Government Accountability Project (GAP), requests copies of all agency records and information, including but not limited to notes, letters, memoranda, drafts, minutes, diaries, logs, calendars, tapes, transcripts, summaries, interview reports, procedures, instructions, engineering analyses, drawings, files, graphs, charts, maps, photographs, agreements, handwritten notes, studies, data sheets, notebooks, books, telephone messages, computations, voice recordings, and other data compilations on which or through which information is transmitted, interim and/or final reports, status reports, and all other records relevant to or generated in connection with any meetings, discussions, or conversations held between Darrell Eisenhut, Director of the Division of Licensing (NRR), and officials of Louisiana Power and Light Company or officials of Texas Generating Utilities, Inc., in February or March, 1984, concerning the Waterford Steam Electric Station, Unit 3, or the Comanche Peak Steam Electric Station, Units 1 and 2.

Such documents should include but not be limited to all notes kept during or after such meetings, discussions or conversations; written materials prepared for use in or anticipation of such meetings, discussions or conversations; and any minutes, records or memoranda kept of such meetings, discussions or conversations.

If any records have been destroyed and/or removed, please provide all surrounding records, including but not limited to a list of all records which have been or are destroyed and/or removed, a description of the action(s) taken, relevant date(s), individual, office and/or agency-wide policies and/or justification(s) for the action(s), identification of all personnel involved with the action(s), and any and all records relevant to, generated in connection with, and/or issued in order to implement the action(s).

GAP requests that fees be waived, because "finding the information can be considered as primarily benefitting the general public." 5 U.S.C. §552(a)(4)(A). The Government Accountability Project is a non-profit, nonpartisan public interest organization concerned with honest and open government. Through legal representation, advice, national conferences, films, publications and public outreach, the Project promotes whistleblowers as agents of government accountability. GAP requests the above information as part of an ongoing monitoring project on the adequacy of the NRC's efforts to protect public safety and health at nuclear power plants.

For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld. This index is required under Vaughn v. Rosen (I), 484 F.2d 820 (D.C.Cir. 1973), cert. denied, 415 U.S. 977 (1974).

Please respond directly to Lynne Bernabei and Billie Garde. We will consider only a response to the two above-named individuals to be a response to the request.

We look forward to your response to this request within ten days.

Sincerely yours,

Lynne Bernabei
